## Utah SBA Tech Inspection Checklist

### Numbers

|   | Racer | Check                    | Tech | Check                    |
|---|-------|--------------------------|------|--------------------------|
| Front   |       | <input type="checkbox"/> |      | <input type="checkbox"/> |
| Tail, Side or Lower   |       | <input type="checkbox"/> |      | <input type="checkbox"/> |
| Black Numbers 6" Tall (White Background for Experts or Yellow for Novice) |       | <input type="checkbox"/> |      | <input type="checkbox"/> |

### Safety Wire

|  |                          |                          |
|--|--------------------------|--------------------------|
| Oil Drain Bolt (including upper oil galley bolt on R6/R3, clips allowed) | <input type="checkbox"/> | <input type="checkbox"/> |
| Oil Filter (Hose Clamp)  | <input type="checkbox"/> | <input type="checkbox"/> |
| Oil Filler Cap (Including dipstick if present, clips allowed)            | <input type="checkbox"/> | <input type="checkbox"/> |
| Any Bolts or hose that carries or retains oil (wire, epoxy or RTV)       | <input type="checkbox"/> | <input type="checkbox"/> |
| Radiator Cap (Clips allowed)   | <input type="checkbox"/> | <input type="checkbox"/> |
| Water Drain Bolt (No Clips)  | <input type="checkbox"/> | <input type="checkbox"/> |
| Front Brake Caliper Bolts  | <input type="checkbox"/> | <input type="checkbox"/> |
| Rear Brake Caliper Bolts   | <input type="checkbox"/> | <input type="checkbox"/> |
| Front Axle and or Axle Nut   | <input type="checkbox"/> | <input type="checkbox"/> |
| Front Axle Pinch Bolts (all must be present, one wired per side)         | <input type="checkbox"/> | <input type="checkbox"/> |
| Rear Axle Nut  | <input type="checkbox"/> | <input type="checkbox"/> |

### Cameras

|   |                          |                          |
|---|--------------------------|--------------------------|
| Securely Tethered (No Chin Mount Cameras) | <input type="checkbox"/> | <input type="checkbox"/> |
|---|--------------------------|--------------------------|

### Brakes & Brake Guards

|                                   |                          |                          |
|-----------------------------------|--------------------------|--------------------------|
| Front and Rear Brakes Function    | <input type="checkbox"/> | <input type="checkbox"/> |
| Front Brake Lever Guard Installed | <input type="checkbox"/> | <input type="checkbox"/> |

### Belly Pan

|                             |                          |                          |
|-----------------------------|--------------------------|--------------------------|
| Removed for Tech Inspection | <input type="checkbox"/> | <input type="checkbox"/> |
|-----------------------------|--------------------------|--------------------------|

### Oil Filter

|                                  |                          |                          |
|----------------------------------|--------------------------|--------------------------|
| OEM or Approved Aftermarket Only | <input type="checkbox"/> | <input type="checkbox"/> |
|----------------------------------|--------------------------|--------------------------|

### Radiator Fluid

|  |                          |                          |
|--|--------------------------|--------------------------|
| Only Water, Water Wetter, Cool Aid and Ice Water (Non-Glycol Racing Coolant) | <input type="checkbox"/> | <input type="checkbox"/> |
|--|--------------------------|--------------------------|

### Case Covers

|  |                          |                          |
|--|--------------------------|--------------------------|
| Left and Right Aftermarket Case Covers | <input type="checkbox"/> | <input type="checkbox"/> |
|--|--------------------------|--------------------------|

### Side Stand/Center Stand

|         |                          |                          |
|---------|--------------------------|--------------------------|
| Removed | <input type="checkbox"/> | <input type="checkbox"/> |
|---------|--------------------------|--------------------------|

### Toe Guard/Shark Fin

|           |                          |                          |
|-----------|--------------------------|--------------------------|
| Installed | <input type="checkbox"/> | <input type="checkbox"/> |
|-----------|--------------------------|--------------------------|

### Helmet

|   |                          |                          |
|---|--------------------------|--------------------------|
| Manufacture date within 5 years and visible                                 | <input type="checkbox"/> | <input type="checkbox"/> |
| DOT, BSI, ECE-2205 or Snell approved full face helmet with no impact damage | <input type="checkbox"/> | <input type="checkbox"/> |
